

CALL FOR ARTICLES

Ex Aula Research Journal

Teddy Hall's MCR research journal Ex Aula now warmly invites all MCR members to submit articles that present their research to a non-specialist audience. **Accepted articles will be published in the Hilary 2022 issue of Ex Aula, and all submissions will be considered by a panel of SCR judges for this year's Ex Aula Prize of £500.**

Ex Aula provides a great opportunity for MCR members to publish while at Oxford and to communicate their research topic to the broad Teddy Hall community. You are invited to read articles published in previous Ex Aula issues at our website (<https://mcr.seh.ox.ac.uk/ex-aula-research-journal/>).

Submissions should be 600–800 words, and be submitted before **21 December 2021** to Ex Aula's Editor Thijs van der Plas (thijs.vanderplas@seh.ox.ac.uk). For the Ex Aula Prize, submissions will be judged based on their ability to engage readers from other academic disciplines and for conveying their relevance with society. If you are unsure whether to submit, please feel free to get in touch at any time.
